Master Service Agreement (MSA)

This Master Service Agreement ("Agreement" or "MSA") between Grow Your Center, a Michigan limited liability company ("GYC"), and the undersigned client ("Client"), each a "Party" and collectively, the "Parties" is entered into as of the Effective Date of Client's signing date.

1. Purpose

This Agreement sets forth the terms under which GYC will provide marketing, consulting, technology, and related services ("Services") to Client, as further described in one or more Statements of Work ("SOWs"). Each SOW will be incorporated into and governed by this Agreement.

2. Term & Renewal

- **Term.** This Agreement remains in effect for twelve (12) months ("Term") from the Effective Date.
- **Auto-Renewal.** At the end of the Term, Services automatically renew on a month-to-month basis at GYC's then-current standard rates, unless either Party provides at least forty-five (45) days' written notice of non-renewal.
- **Early Termination.** If Client cancels during the Term, all remaining Fees become immediately due and payable. Parties agree this represents liquidated damages reflecting GYC's loss of bargain, and is a fair and reasonable estimate of anticipated harm.

3. Fees & Payment Terms

- **Fees.** Each SOW outlines service fees ("Fees"), payment methods, and billing options (e.g., monthly or paid-in-full). Work begins upon receipt of payment or valid payment authorization.
- **Invoices.** Fees are billed monthly in U.S. Dollars (USD) unless otherwise stated. Invoices are NET 30. Charges will be processed automatically to Client's authorized payment method.
- **Ad Spend.** GYC's service fees do not include third-party advertising costs, which are billed separately and paid directly to the ad platform. If GYC pays ad costs on Client's behalf, Client agrees to pay the actual amount plus a ten percent (10%) processing fee.
- **Pricing Changes.** GYC will provide at least sixty (60) days' written notice for pricing changes. If Client does not agree, Client may terminate Services with proper notice before the renewal date. No refunds or credits will be issued for partial months.
- **Late Payments.** Invoices unpaid for more than thirty (30) days may incur a late fee of 1.5% per month (or the maximum permitted by law, whichever is less) and may result in suspension of Services until the account is current.
- **No Refunds.** All fees are non-refundable. Early termination does not release Client from remaining obligations. No refunds will be issued for partial months, including those occurring after the monthly renewal date.
- **Disputes.** Any disputes must be submitted in writing within fifteen (15) days of receiving the invoice. Otherwise, the invoice is deemed accepted.

4. Services & Client Responsibilities

- **Changes.** Service changes (scope, pricing, timing) must be agreed upon in writing via email referencing this Agreement and confirmed by both Parties. Email confirmation from both sides shall be sufficient.
- **Client Responsibilities.** Client agrees to provide timely, complete, and accurate (i) business information, (ii) pre-work materials, and (iii) access or credentials for third-party platforms, and to (iv) participate in onboarding and scheduled marketing meetings, (v) provide feedback and approvals promptly, (vi) maintain ongoing communication with GYC, and (vii) maintain an active and valid payment method on file throughout the Term. Failure to do so may result in service delays. Client must notify GYC in writing within five (5) business days of any significant business changes. GYC is not responsible for inaccuracies caused by incomplete or incorrect Client-provided information.
- **Suspension of Services.** GYC reserves the right to suspend or withhold Services for non-payment, unresponsiveness, or failure to meet Client responsibilities.

5. Intellectual Property (IP) & Deliverables

- **Pre-existing IP.** Each Party retains rights to pre-existing intellectual property.
- **Retained Rights.** GYC retains ownership of all templates, strategies, campaign frameworks, and proprietary systems developed or used during the Term, including those customized for Client. These materials are licensed, not sold, and may be reused in whole or in part for other clients.
- **Use of Client Materials.** Client warrants that they have the rights to all materials provided to GYC and grants GYC a license to use them in delivering Services.
- **Deliverables.** Client is granted a **perpetual, non-exclusive, non-transferable, royalty-free** license to use final Deliverables for internal business purposes only. "Deliverables" refers to final work products such as ad copy, landing page designs, or reports, and excludes pre-existing materials or proprietary frameworks developed by GYC.
- **SaaS Use.** Client's access to the M3 PRO AI Portal and CRM is provided under a **subscription** license only. Access will terminate immediately upon expiration or termination of Services unless renewed in writing. **Client may not sublicense, resell, or share login credentials outside their organization.** All rights remain with GYC and/or its licensors.
- **Restrictions.** Client may not resell, sublicense, or distribute GYC materials to third parties without prior written consent.
- **AI-Assisted Content.** Client acknowledges that content generated with AI tools may not be original or cleared for copyright use. Client bears full responsibility for reviewing, clearing, and ensuring compliance before use. GYC makes no warranties as to originality or non-infringement.

6. Compliance & Platform Dependencies

- **Compliance.** Client is solely responsible for ensuring that its content and business practices comply with applicable laws, regulations, and the policies of third-party platforms.
- **Third-Party Platforms.** GYC is not liable for errors, outages, or limitations caused by third-party platforms or tools used to deliver Services.
- **Data Use.** Client may request in writing to opt out of GYC's anonymized and aggregated data analysis uses.

7. Confidentiality

Each Party agrees to keep the other Party's confidential information private and use it only to perform obligations under this Agreement. Confidential information includes, but is not limited to, trade secrets, business plans, client data, marketing strategies, and proprietary technology. Confidentiality obligations survive termination for three (3) years, except for trade secrets, which remain protected indefinitely. GYC may request permission from Client to share specific performance data for use in GYC's marketing initiatives, which Client may grant in writing or via video recording.

8. Liability & Indemnification

- **Disclaimer.** Services will be executed in accordance with industry best practices and GYC's professional expertise; however, **no specific results are guaranteed** due to factors beyond GYC's control (e.g., platform changes, algorithm updates, and third-party policies). Services are provided **"as-is"** with **no express or implied warranties**.
- **Limitation of Liability.** To the extent permitted by law, GYC's total liability is limited to the lesser of ten thousand USD (\$10,000) or total fees paid by Client during the twelve (12) months before the liability arose. GYC is not liable for (i) lost profits, business interruptions, or lost data, (ii) platform failures, (iii) service interruptions from hosting or third-party tools, (iv) ad platform performance, or (v) indirect or consequential damages.
- **Indemnification.** Client agrees to indemnify, defend, and hold harmless GYC against any claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees) arising from or related to Client's content, business practices, or breach of this Agreement. This indemnification does not apply to claims resulting from GYC's gross negligence or willful misconduct.

9. Dispute Resolution

Any unresolved disputes shall be submitted to binding arbitration before a single arbitrator under the rules of the American Arbitration Association (AAA) Commercial Arbitration Rules. The arbitration shall take place in the state of Michigan.

10. General Provisions

- **Amendments & Assignment.** Agreement may be amended or assigned only with the written, signed consent of both Parties.
- **Severability.** If any provision is invalid, the remainder of the agreement shall remain enforceable.
- **Force Majeure.** Neither Party shall be liable for delays resulting from events beyond its control, including disruptions to third-party platforms or services.
- **Governing Law.** This Agreement is governed by and construed in accordance with the laws of the State of Michigan.
- **Authority.** Each Party represents that it has the authority to enter into this Agreement and will comply with all applicable laws.
- **Non-Solicitation.** Client agrees not to solicit or hire (directly or indirectly) any employee, contractor, or consultant of GYC during the Term and for one (1) year thereafter, without GYC's prior written consent. For any breach, GYC may seek injunctive relief and/or liquidated damages equal to 50% of the individual's most recent annualized compensation.
- **Publicity Rights.** GYC may list Client as a customer or user of its services on its website and in marketing materials, provided that Client may opt out at any time with thirty (30) days' written notice.
- **Survival.** Provisions relating to confidentiality, IP, fees, indemnification, liability, non-solicitation, and dispute resolution shall survive termination or expiration of this Agreement.

11. Acknowledgment

By signing, Client acknowledges having read and agreed to the terms of this MSA and the attached SOW(s).

STATEMENT OF WORK ("SOW")

This Statement of Work ("SOW") is entered into pursuant to the Master Service Agreement ("MSA") between Grow Your Center, LLC ("GYC") and the undersigned Client.

1. Services

The *Own Your Zip Code Blueprint* provides a full-funnel marketing and enrollment system through:

- Customized CRM: configured to capture, track, and follow up on all leads.
- M3 PRO AI portal access: A SaaS platform providing marketing audits, competitive analysis, KPI marketing dashboard, task management, monthly drops.
- DWY ("Done-with-you") Support: templates, training, group coaching calls, and workshops.
- Community Access: peer group and consultant support.

2. Timeline

The *Own Your Zip Code Blueprint* program is delivered in **three (3) phases**, designed to guide your center from foundation to full enrollment and beyond.

- **Phase 1: 12-Week Transformation**
An intensive strategy and execution sprint focused on your *entire funnel*. Through tools, templates and workshops (DWY), we'll refine your offer, phone and tour scripts, partnerships, SEO (including LLM/AI-assisted SEO), local guerrilla marketing, referral systems, audit your website, Meta ads, organic social media, and reviews. You'll also learn how to conduct a full funnel analysis to identify and address performance gaps.
Note: actual duration may vary based on holidays and scheduling.
- **Phase 2: Growth**
Begins after the Transformation phase and focuses on continuous marketing, advertising, and optimization. You'll receive fresh content drops, new templates, and ongoing access to M3 PRO AI and your CRM to sustain momentum and scale results.
- **Phase 3: Domination**
Once you're full, you'll shift strategy to build and manage a waitlist while developing *defensive marketing systems* that protect your market position and keep you ahead of competitors.

3. Client Responsibilities

- Participate in onboarding, training, workshops, community, and complete implementation tasks.
- Provide accurate business data for CRM setup.
- Ensure staff adoption of CRM tools.

4. SaaS Use

- Access to CRM and M3 PRO AI is licensed only.
- Access ends upon expiration or termination of Services unless renewed.

5. Payments & Early Termination

All fees are non-refundable. If the Agreement is terminated early, any remaining balance under a Payment Plan becomes **immediately due within five (5) days** of termination.

6. Renewal & Cancellations

To prevent service disruption, your program will **automatically renew** at the end of your Term at the *lower* of:

1. Your current Payment Plan rate, or
2. The then-current standard rate for your program level.

You may cancel after the initial Term by providing **45 days written notice** prior to renewal. Upgrades or downgrades to your Blueprint level may be made after your Term concludes.

7. Implementation Responsibility

The *Own Your Zip Code Blueprint* is designed to help you transform your marketing system and results. Success requires active participation — especially for Done-With-You (DWY) components. While certain Done-For-You (DFY) services are provided, they do **not** replace the Client's responsibility to implement and maintain the remaining parts of the program.

8. Guarantee

The *Own Your Zip Code Blueprint* is designed to transform how you market and grow your child care center. If you fully implement the program according to the instructions and best practices provided, and you **do not achieve at least five (5) additional enrollments within five (5) months** of your program start date, we'll upgrade your support level — at no additional cost — until you do.

- For example: if you're enrolled in **Base**, you'll be upgraded to **Command** until the additional five enrollments are achieved, at which point you'll return to your original level.
- If, after two (2) additional months, the results still haven't materialized, we'll continue to bump your support up another level until the goal is reached.

Eligibility Requirements

To qualify for this guarantee, you must:

1. Use one of the following CRMs: GYC CRM, LineLeader, or Intellikids.
2. Have provided GYC full access to your CRM from the beginning of the program.
3. Ensure *all leads* are entered into the CRM, including those from your website, ads, phone calls, walk-ins, referrals, and any other source.

We know these conditions are specific — but that's because the Blueprint is built as a *complete system*. When implemented correctly, it identifies and eliminates enrollment bottlenecks at every stage. The guarantee exists to protect your investment *and* to keep you accountable to the process that actually drives results.

This is a **good faith guarantee**. We trust you'll engage the process fully and act in good faith — just as we do. Work the system, and the system will work for you.

9. Program Levels

The *Own Your Zip Code Blueprint* has 4 levels of implementation support. Select the program level that best fits your goals and capacity for implementation:

Blueprint (Base)

A *done-with-you* (DWY) program where your team handles implementation with our training, tools, and support. CRM setup and customization are *done-for-you* (DFY) by GYC.

Command

Includes everything in the Blueprint (Base) level, plus fully DFY Google and Meta advertising — ad creation, management, and optimization — along with private 90-minute Quarterly Business Review (QBR) calls with your assigned Marketing Consultant.

Elite

Includes everything in Blueprint and Command, plus DFY Tour and Phone Scripts. You'll also unlock our *Local Celebrity* ad package — we provide the scripts, you film the clips, and we handle all the editing and ad production.

Master

Includes everything in Blueprint, Command, and Elite, plus:

- Custom mascot development and creative assets for ad campaigns
- Monthly DFY newsletter (compatible with GYC CRM, LineLeader, or Intellikids)
- A complete 3D Virtual Tour for two of your locations, including 11 short-form video clips optimized for ads and social content

Please select the program option that best fits your needs below.

☒ Blueprint - Master	\$37,237	\$3,723.70 x 12 payments

Please select your preferred payment method:

☐ Pay-In-Full ☒ Monthly Payment Plan

10. Term

The initial program term ("Term") is **12 months**.

11. Locations

Pricing above applies to 3 location.

Additional locations may be added for:

- **30%** of the Base program fee per location, or
- **20%** of the Command, Elite, or Master program fee per location.
Each added location requires its own **12-month Term** commitment.

☒ I agree to all the terms outlined in this agreement.

You can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures solely in paper format, it will slow the speed at which we can complete specific steps of transactions and deliver services to you because we will need to first send you the required notices or disclosures in paper format, and wait to receive them back to confirm acknowledgment of your receipt of such notices or disclosures. You will also no longer be able to use the PandaDoc system to electronically receive required notices and consents or sign documents from us.

How to contact Grow Your Center, LLC.
